

I don't want to share but I guess I have to be nice.

Is he going to eat it all? I not ready to share. This was not my plan for dinner.

I'm being crowded away from my dinner dish. It's not fair.

Where did he come from? I thought he was fast asleep.

Ok, now it is my turn again. He did leave me some dinner.

Taking Turns

It's dinner time. The bowl is full of my favorite food.

This is perfect. The yellow one is nowhere in sight. I have dinner to myself.
